Anthropology and Anthropologists is an ethnographic account of British social anthropologists in their golden age, the middle decades of the 20 th century. What really matters is to be found in what they left behind: the books and papers and intellectual arguments that testify to what those men and women made of the world they lived in. Yet as anthropologists these particular natives knew very

Pearson - Cultural Anthropology, Fourth Canadian Edition ...

I highly recommend Cultural Anthropology: 4th Canadian Edition for use in introductory cultural anthropology classes. The authors present a straightforward, easy-to-read, well-organized discussion of a complex array of cultural issues, features, and practices. This textbook enables students to access, discuss and critically debate some of the most intricate aspects of cultural anthropology.
