"All-in-One CAPM/PMP Project Management Certification" made it easy to pass the CAPM on my first try. The included CD was a god send because of the practice exams. It was also clever to include the process exam, as most of the test that I wrote was very process specific. The book made it quite enjoyable learning the subject matter.

Last month, I read (twice) CAPM/PMP Project

Management Certification Exam Guide, Second Edition in preparation for renewing my CAPM certification. I also submitted minor errata because this book is worthy of a third edition (and a revised PMBOK and revised certification tests are being prepared).
