[School corporal punishment in the United States - Wikipedia](#)

Corporal punishment, also referred to as "physical punishment" or "physical discipline," is defined as utilizing physical force, no matter how light, to cause deliberate bodily pain or discomfort in response to some undesired behavior. In schools in the United States, this punishment often takes the form of either a teacher or school principal.

Corporal punishment is still legal (and used) in US public ...

More than 160,000 children were disciplined using corporal punishment in public schools in the United States in the 2013-2014 school year, according to data recently released by the U.S.

[Corporal punishment in US schools](#)

Many people, even within the USA, think corporal punishment ("CP") has long disappeared from all American public schools. This is not so. This is not so. The US Supreme Court ruled in 1977 that the spanking or paddling of students by school officials or teachers is lawful, where it has not been explicitly outlawed by local authorities.
