ESPI Conference, European Identity through Space - 12 ...

ESPI Conference, European Identity through Space - 12 November 2009, Vienna, 12 November 2009 . Jean-Jacques Dordain's keynote speech transcript. Thank you for inviting me to this Conference organised by ESPI here in Vienna. ESA and Austria are founding members of ESPI, and I think it was a very good decision to create ESPI, whose importance is growing. The theme of this conference is unusual.

THE DEVELOPMENT OF EUROPEAN IDENTITY/IDENTITIES ...

European identity/identities has been a research topic on the European Commission's agenda since the 1990s and the 5 th Framework Programme for Research and Technological Development. At a time of socio-economic crisis in Europe, and at the dawn of the European Year of Citizens

For this purpose the focus is not only on policy analysis but also on expertise from the fields of cultural science and the arts in order to tap their creative potential and also their theoretical approaches to the topic. eBay!

A European identity through space what have we achieved ...

In fact, the question of identity is a difficult, and even sensitive, subject. In some countries in Europe there is currently a debate on national identity running. As Director General of ESA, you could say that I need to have 18 nationalities and the number is growing I'm not an expert on the subject of identity, so I won't try to give you

an answer, but I'll tell you about how I

[European Identity Through Space final - espi.or.at](http://espi.or.at)

European Identity Through Space: The Conference Under the auspices of the Swedish EU Presidency, ESPI organised the conference European Identity Through Space on 12-13 November 2009 in Vienna, Austria. It was the first transdisciplinary approach to discussing space and its implications for shaping a European identity. At this event, European space policy experts met with representatives
