The governance of communication networks:

Reconsidering ...

150 The governance of communication networks
conclusion If the scholarly community is to be well positioned to comment on emerging communication network governance arrangements and their outcomes positive, negative or in between there is a need for systematic empirical analysis of what is being done in practice under the labels of alternative approaches to governance. The framework

Governance Communications - The Data Governance Institute

Currently the Corporate Data Advocate at the World Bank Group's private sector arm (IFC, The International Finance Corporation), Gwen Thomas is the Founder of The Data Governance Institute and primary author of the DGI Data Governance Framework.

The governance of communication networks:

Reconsidering ...

Governance arrangements have multiple implications for the norms and practices that influence citizen access to networks, opportunities for freedom of expression, and privacy.
