"help me [to] do that" | WordReference Forums

Let's wait for the experts, I know that help is a causative and therefore the next verb shouldn't be in infinitive or whatever the form of the verb is when preceded by "to", but of course there're always exceptions, so let's see what the others have to say.

Help Me to Find My People - University of North Carolina Press

Help Me to Find My People. . . provides opportunities for remembering that the continued existence of slavery for centuries depended on whites learning to rationalize guilty feelings by pretending (or even believing) that African Americans did not feel family separations deeply. --

Help Me to Find My People - Jet.com

After the Civil War, African Americans placed poignant "information wanted" advertisements in newspapers, searching for missing family members. Inspired by the power of these ads, Heather Andrea Williams uses slave narratives, letters, interviews, public records, and diaries to guide reader

[Help Me to Find My People: The African American Search for ...](#)

'Help Me to Find My People' examines the horrors of American slavery through the specific topic of the forced

separation of families. The book is rife with vivid primary sources and testimonies of former slaves who had been torn asunder from their loved ones. The later chapters focus on post-war reunion efforts, specifically through newspaper advertisements seeking information regarding long

5 Ways to Find Your People (The Ones Who Really Get You)

But when you find people who seem like they can handle you, step in and help out. If it's a group that meets in real life, volunteer your home for a meeting or offer to help out at an event; if it's one person, invite him or her out to partake in the interest you share.
