Narratology - Wikipedia

Narratology is the study of narrative and narrative structure and the ways that these affect our perception. While in principle the word may refer to any systematic study of narrative, in practice its usage is rather more restricted.

Narratology | Literary theory | Britannica.com

Narratology: Narratology, in literary theory, the study of narrative structure. Narratology looks at what narratives have in common and what makes one different from another. Like structuralism and semiotics, from which it derived, narratology is based on the idea of a common literary language, or a universal.
