[Stories of Culture and Place: An Introduction to ...](#)

This new edition has been significantly reorganized and includes two new chapters one on health and one on economic change as well as fresh ethnographic examples. The result is a more streamlined introductory text that offers thorough coverage but is still manageable to teach.

[Place: An Introduction - Tim Cresswell - Google Books](#)

A thoroughly revised and updated edition of this highly successful short introduction to place. Features a new chapter on the use of place in non-geographical arenas, such as in ecological theory, art theory and practice, philosophy, and social theory. Combines discussion about everyday uses of the term place with the more complex theoretical debates that have grown up around it. Uses familiar stories drawn from the news, popular culture, and

everyday life as a way to explain abstract
