Pragmatics and Prosody in English Language Teaching
| ELT ...

The rest of the chapters are organized into three parts:
Theoretical approaches to the teaching of prosody ,
Pragmatics, prosody and communication , and Pedagogical
implications for English language teaching . The chapters
are organized from what is considered to be the most
technical topic of acoustic measurements to the most
applied topics, such as identifying intonation problems of
language learners. Somewhere in the middle of this cline
are specific discussions about

Pragmatics and Prosody in English Language Teaching
