### Preventive healthcare - Wikipedia

Preventive healthcare (alternately preventive medicine, preventative healthcare/medicine, or prophylaxis) consists of measures taken for disease prevention, as opposed to disease treatment. Just as health comprises a variety of physical and mental states, so do disease and disability, which are affected by environmental factors , genetic predisposition , disease agents, and lifestyle choices.

### Preventive Effect of a Microclimate-Regulating System on ...

The aim of this study was to test the PrU preventive effect of this system compared with a viscoelastic foam mattress alone. **METHODS:** A multicenter, prospective, randomized controlled trial was executed in 21 nursing homes in the Netherlands.
