Racial violence and the Brexit state The explosion of racist violence that followed the announcement of the EU referendum result on 24 June 2016 has been well-documented.

[Racist Violence and the State: A comparative Analysis of ...](#)

Racist Violence and the State is the first serious study to apply a comparative research-based approach to the study of racist violence in Britain, France and The Netherlands since 1945.

[The Effect of Racism on Domestic Violence Resources](#)

Racism must be fought within the domestic violence movement and in the legal system in order to successfully help all victims of domestic violence. Not only are African-American women's needs ignored as a result of racism, but racism also creates additional needs for African-American women.

Mass racial violence in the United States - Wikipedia

Today racial violence has changed dramatically, as open violent acts of racism are rare, but acts of police brutality and the mass incarceration of racial minorities continues to be a major issue facing the United States.

Racial violence and the Brexit state - Jon Burnett, 2017

Research by the Institute of Race Relations into over one hundred incidents of racial violence reported in the mass media in the month after the EU referendum indicates that the spike in such attacks has to be understood in terms of the racist climate created not just during the clearly nativist referendum debate, but also in the divisive

How violence and racism are related, and why it all matters

Racism is a form of both visible and invisible violence. Veteran peace researcher Johan Galtung has shown that violence is cultural, structural and direct.
