Religion and Society in Twentieth-Century Britain | The ...

The twentieth century was not a story of gradual moral secularisation; rather it is the story until the 1960s of a continuously powerful restrictive Christian state . In fact, Brown argues, the 1950s were even more morally restrictive than the 1930s. Throughout this period British Christianity was dominated by two different and competing systems: an undemanding religion, mellow Religion and Society in Twentieth-century Britain - Callum ...

In Religion and Society in Twentieth Century Britain, Brown provides a rounded study of the place of faith and religious adherence in the lives of the British people, giving the first complete account of religion's place in the nation's culture and society.
