[Security and Defence Policy in the European Union - Jolyon ...](#)

The Common Security and Defence Policy (CSDP) has come a long way since its inception as the European Security and Defence Identity under NATO. Yet more than a decade after emerging as an autonomous entity, with its own capacity for civilian crisis management and military action, the European Union's CSDP is still very much a work in progress.

Second, the abundant literature on concrete EU policies can clarify to what extent the United Kingdom has actually contributed to the development of these policies, for instance to the transatlantic relationship. Third, the literature on 'Europeanization' reveals the extent to which the UK's involvement in European foreign, security, and defence policies has integrated the UK with its EU

Foreign & Security Policy - EUROPA | European Union

Its joint foreign and security policy, designed to resolve conflicts and foster international understanding, is based on diplomacy; trade, humanitarian aid, security and defence often play a complementary role.
