Marrying in South Asia: Shifting Concepts, Changing Practices in a Globalising World. Reading this book during a seaside holiday, I was pondering the prominence of marriage in social science scholarship on South Asia, when a 6-year-old boy from Kolkata who had befriended my son struck up a

Globalization in Asia - apess.org

Globalization, in other words, appears to have had a relatively minor impact on political relationships in Northeast and South Asia at least until now. Whether the forces of globalization will serve to remold the international system and create fundamentally new forms of interaction, remains to be seen.
